

Doliosis Homoeo Pharma Private Limited is a ISO Certified manufacturing company set up to make highest quality homoeopathic remedies with a state-of-the-art technology.

In Greek, DOL means pain and ISOS means similar. In the light of the company's activities, the name Doliosis is appropriate since homoeopathic treatment is based on the Law of Similars. In short, Doliosis means treating pain using the homoeopathic law of similars. Doliosis aims to reinforce the international presence of Indian Homoeopathy and thus contribute to the development of Dr. Hahnemann's doctrine. It will be the constant endeavour of Doliosis to improve customer relationship through increasingly effective service.

Manufacturing facility is set up in picturesque environment at Pirangut near Pune. The facilities include state-of-the-art manufacturing unit, research laboratory and automated packaging line. Good Manufacturing Practices (GMP) norms are fully implemented and followed.

Specialities:

- 1. At Doliosis, medicines are prepared under total aseptic precautions and with highest quality standards.
- 2. Raw material is imported from the leading companies of Europe.
- 3. Potencies are prepared using high-grade Extra Neutral Alcohol to assure the best quality.
- 4. Water used for dilutions is of distilled type.
- 5. All the potencies are prepared using the classicial Hahnemannian methods with hand and a supportive whirl potentisation.
- 6. Liquid complexes bottles are sealed with a self dispensing dropper for easy administration.
- 7. Strictly following GMP rules, to assure you of the highest quality homoeopathic remedies.
